

Sports Funding

At St Luke's Catholic Primary we are utilising the Primary PE and Sport funding in a number of ways to help promote and improve Physical Education within our school. Our overall Schools aim and vision for our pupils is to INSPIRE, BELIEVE and SUCCEED. We promote healthy and active lifestyles and take part a variety of sporting activities across the academic year.

Aims	How we will do this
<p>Provide a varied and balanced array of sporting opportunities for all children to be active. This will be promoted in PE but also through physical activities outside of the classroom and school environment</p>	<p>We will provide a variety of clubs each term that change on a rota. Through these, lunch times and extra curricular opportunities we ensure every child can get involved and get active. Currently children do not have to pay for any of these sessions or clubs. This year Class 3 and 4 have been involved in the Med Ball Challenge promoted by UK athletics Class 5 and 6 will be undertaking our Lets Bike programme and learning road safety. Sessions delivered by Mrs Harrogate and Neil Flanagan CPSO. For those pupils who are proficient in this we offer Bikability. Through this children have an opportunity to ride on the road using the skills that they have learnt.</p>
<p>Promote Sports Leaders to work peer to peer to make lunchtimes more active and encourage more children to participate</p>	<p>Our Year 6 and Year 5 pupils have had Play Leader training using Phys' Kids from our PE & School Sport co-ordinator Mrs Senior, based at Helsby High School. Those trained provide play leader activities to KS1 children, run and organise these on a rota</p>

	<p>system. We have acknowledged those who enjoy doing this and have supplemented this through providing play leader gifted and talented training at Helsby High School. Those who attended hained recognition for their hard work and some leadership skills.</p> <p>Furthermore, we have promoted our Change for Like Champions Mae and Luke. These attended a special days training at Ellesmere Port Sports Village. The skills and facts learnt will be cascaded to other sports leaders.</p> <p>Esme, Mae, Amelia, Niamh, Tyler and Joseph have attended a Dodgeball leadership course. They have had opportunities to demonstrate these skills to other classes.</p> <p>All of our midday assistants have also received training</p>
<p>To provide CPD opportunities and training for teachers, which is suitable for the age ranges taught. This will develop and be encompassed through teaching and learning across PE</p>	<p>Miss Mc Veigh Mrs Earne have worked in conjunction with a gymnastics sports coach to supplement teaching and learning. Opportunities across the academic year KS1 training (Bupa Start to Move), KS2 Training (Matalan TOP Sport)</p> <p>Further training to suit individuals needs. PE Lead to arrange from results of staff sports questionnaire.</p> <p>Mid day assistants have received training as part of our school sport cluster</p>
<p>Make sure PE Subject Leader has appropriate assistance to develop our PE & School Sport offer and support teachers effectively</p>	<p>The PE & School Sport Subject Leader has attended regular meetings at Helsby High School regarding our school sports cluster. This has been in conjunction with up coming events and Youth Sport Trust trainers.</p>

<p>Review our provision to make sure the funding is spent to maximise the development of PE & Sport</p>	<p>Here at St Luke's we have undertaken an equipment audit and have identified recourses to supplement and enhance the provision we already have. We have applied for and received and the Sainsbury's School Games Kite Mark for participation in competitive school sport. In 2015-2016 we received the Bronze Award. We have also made sure some of our outdoor provisions are easily accessible and in prime locations to allow for greater participation.</p>
<p>Take part in a wide variety of competitive sporting events against and in conjunction with other school and though house teams</p>	<p>By planning a range of internal house team activities and competitions (level 1) which can be accessed by all groups in school. Selecting pupils and teams to take part in local competitions against other schools within our sports cluster. Through these we aspire to reach county finals. Our aim is to be fully involved in the Sainsbury's School Games and other schools' competitions. (Cricket, football, Multiskills, indoor athletics (KS2), ,High 5 netball, Basketball tag rugby, swimming gala, and Cross Country running at Stanny Track and Delamere Forest.</p>
<p>Only work with coaches who are appropriately qualified and checked</p>	<p>To only use coaches who have the correct level of training in the sport offered and who are fully insured to work with our children. We have selected coaches who provide support both in lessons and after school clubs. These have included football (KS1 and KS2), dance, judo, and gymnastics. To supplement this All members of teaching and non teaching staff have received first aid training. This included mid day assistants. As a staff we are all paediatric first aid trained. Mr Johnson Mr Dans have also undertaken further first</p>

	aid courses off site to supplement this.
