

St Luke's Catholic Primary School Newsletter

24th March 2017

Lent

Community links have provided lots of enrichment during this week. At the beginning of the week year five and a selection of pupils from year six performed a music concert for parents, demonstrating the skills they have achieved through the opportunities for all programme. On Wednesday, pupils in year four joined pupils from our local schools in Castle Park weaving willow beehive huts. On Thursday pupils from year five competed in the Frodsham and Villages Volley ball competition. These events are only made possible through the help and support of parent volunteers. If you would like to volunteer your help and support in anyway, please contact our school office.

Thank you to all the parents who attended the First Holy Communion meeting, we appreciate your support and commitment.

Next week, in addition to our fundraising activities for Cafod, we will have a non-uniform day on Friday to raise money for the East Africa appeal. Please see advice on how you can contribute. I would like to ask that you remember those who are suffering in your prayers. We would also like to remember those who suffered in the horrendous attack in Westminster on Wednesday.

E.Murtagh

Head teacher.

**END OF TERM APPROACHING Can
parents please log on to accounts and
clear outstanding amounts as we
approach the end of term. Thank you.**

Cello and Violin Concert

Menu Week -2

Year 5 and some children from Year 6 performed to parents on Monday morning. It was a wonderful way to start the week and see how the children have developed their musical skills. There were many complimentary comments from parents as they left.

Parent Parking Charter Yr 6

After our 8.15am start on Thursday morning, we prepared our Parent Parking Charter signing. Once all the tables were set up, the parents and guardians started to arrive. We then got most parents and guardians involved in signing our new school parent parking charter. Incredibly, we got over 100 signature so we would love to say thank you to all who signed.

Erin Porter and Eva Connor

Comment from Neil Flannigan local PCSO ' The children were brilliant, they were confident and polite and had no problem interacting with the parents, they did the school proud'

Volleyball

What an afternoon of sport. Following on from our initial volleyball coaching session we took part in our first ever tournament. 3 boys and 3 girls from class 5 took part and made it to the semi finals. The competition was fierce with over 13 other schools taking part. The children even got a good luck message from one of the team GB Volleyball team from 2012. Everyone improved across the day and have asked to do more volleyball at lunch times. Our players have even been invited to continue this and join the local Frodsham Volleyball club. A big thank you to Mrs Kennedy for helping on the day.

In light of recent events where schools have been targeted by burglars looking for cash we thank all parents for your co-operation in making our school cashless.

Cross Country at Delamere

Congratulations to all who took part in the Cross Country last Friday. All the children did themselves proud on such a wet day. Thank you to all the staff and parents for braving the weather to support our children. Visit

the sports page on our website to see results and photos .

Year 4 Beehive Den Building

Cheshire West and Chester invited our year 4 pupils to visit Castle Park to build a Beehive Den as part of the park's improvement programme. They commissioned local artist Sarah Gallagher the Twig Twister, to create some beehive dens . The children braved the wet and cold to make a fantastic den as you can see from the photos. Together with three other dens, it will be placed next to the young persons park. The structures have to be dried out however

after this they will be placed into the ground for all the children who come to the park to enjoy, and for those who helped to be proud of. A huge thank you to Miss Murphy (parent helper) and Mrs Harrogate who also braved the awful weather to make sure the children had a great time.

Dangerous Tree

One of our neighbours on the Willows has kindly informed us that there is a very rotten large tree at the top of the Willows opposite the three storey houses. He is very concerned that in high winds it could be dangerous and highlighted it to us with regards children and parents walking past it during inclement weather. He has raised his concerns with the council but as yet they have not taken any action.

Churches Together in Frodsham would also like to extend a warm welcome to staff and parents to a free performance of *Crosslight* at St Laurence Church, Frodsham on Sunday April 2nd at 6.30pm. A thought-provoking Passion play lasting 90 min and suitable for over 11s and adults, performed by Riding Lights Theatre Company from York.

We kindly ask parents not to bring dogs onto the school premises. This is for health and safety reasons. Thank you
