

St Luke's Catholic Primary School Newsletter

5th May 2017

Easter Season Alleluia, Alleluia

I would like to thank all the families who generously filled their mission together box during lent. We managed to raise a total £130.20 this is an amazing achievement.

This week we welcomed staff from S4YC to our mother and toddler group. They will be running the new St. Luke's pre-school provision from September. They will be visiting the school again on Wednesday 17th May, however, if you would like further details, leaflets are available from our main Reception. They are more than happy to answer any questions you may have, please do not hesitate to contact them.

Next week, our year six pupils will be sitting their end of Key Stage Two SAT's. Each day will begin with a pre- SAT's breakfast; an opportunity for everyone to gather, enjoy a delicious breakfast and relax among their friends. A special thank you to all the parent volunteers who have offered to help serve breakfast each day. We hope all our pupils take some time to relax with their families this weekend. We will say a special prayer for them all.

E.Murtagh

Head teacher.

Fidget Spinners

It would be very much appreciated if children did not bring Fidget Spinners to school. Thank you for your co-operation in this matter.

Important Dates for your Diary

Mission Together Children helping Children £130.20

Thank you to everyone who filled up their boxes with change to help the Mission to Malawi. This money will help children like Alex and Harry who were both very sick with a disease called malaria. Alex's mum had to walk for an hour to get him to a clinic and Harry's mum had to hire a bike to carry him to the hospital. Thankfully they are both better now thanks to donations like yours that funded the medicine and the hospitals and clinics. Otherwise they would have nowhere to go.
