## Easter Season Alleluia, Alleluia

Yesterday was Ascension Thursday when we celebrate the Ascension of our Lord, this occurs on the fortieth day after Easter Sunday. This marks the day when Jesus ascended into heaven.

We are very proud of all the pupils in year three who made their First Holy Communion last weekend; it was a very special day. We joined together on Tuesday morning to share in this special celebration as a whole school family. Our grateful thanks; to Father James and Father Colin, also to all the parents who helped and supported in anyway.

Thank you to FoSL who paid a surprise visit to school this afternoon. They brought an ice lolly for all the pupils to enjoy and to help cool them down in the warm weather.

We would just ask all of you to remember in your prayers all the families who have been affected in any way by the events that have happened in Manchester this week. We wish you all a very enjoyable half term break and look forward to the safe return of all our pupils on Monday 5<sup>th</sup> June 2017.

**Payments** Could all payments be kept up to date and school dinners paid for in advance without the intervention of the office. More and more text messages at a cost to the school are having to be sent to chase payments. Each transaction incurs a charge to the school budget please help us to provide the best possible outcome for your children by making one payment for multiple events whenever possible to reduce the costs to our school. Thank you.

## Menu Week -3

St. Luke's Church invites all children up to Year 3 to join the Children's Liturgy at the Parish Centre every first and third Sunday of the month at 10am. Parents with young children are welcome to stay too. This is an opportunity the Church is offering to help the children understand the Gospel at their level and participate in the Sunday Eucharist. Please spread the word and we are looking forward to seeing new children joining in!

Emilia Pusey - 'The visit was a great experience as it was both fun and informative which encouraged us to learn in an interactive way.'

Daisy Deegan - 'The ladies who worked at the museum were extremely passionate about their roles and stayed in character from the moment we arrived to the moment we left'.

Archie Wood - 'It was an incredible experience to visit real life air raid shelters'.

Alfie Johnston "It was the best trip I've ever been on. I learnt that they could put out the German bombs with a stirrup pump. I really believed we were going to the town hall to meet our families, as I thought we were being evacuated".

"The trip was really good. My best bit was when we went in the air raid shelter because it was interesting to see what life would be like inside during an air raid". Scott Fisher

"We learnt how to put gas masks on. I enjoyed the trip, because it felt like we were real evacuees!"

## Holy Communion 2017

Congratulations to Year 3 pupils who took their First Holy Communion on Saturday. All the children looked wonderful in their Communion outfits and did their parents, family and all at St Luke's very proud. On Tuesday they had an extra celebration after a whole school Communion celebration at Church with a party and a fantastic cake.
