As we are about to break up for the eagerly awaited summer holidays we thought this would be the perfect opportunity to let you all know about the success of the previous two terms' fundraising and what the money has

been spent on! We hope you'll agree that all of the events and the additional resources purchased, as a result of monies raised, will benefit all children in our school family and enhance their time whilst at St.Luke's!

We would like to thank everyone who has contributed to making our fundraising and social events such a success this year and look forward to working with you again next year! Already some provisional dates have been penciled in the school diary including a Halloween Disco, following on from the popularity of the Disco held in February!

We are looking forward to welcoming new faces to FOSL in the Autumn Term - date of first meeting will be sent out at the beginning of September.

And finally... we are hoping to become a registered charity over the summer which will enable us to apply for community grants and will provide FOSL with other benefits when fundraising!

Have a great summer holiday!
