

What we think about bullying!

During Anti-Bullying Week in November 2017, we, St. Luke's Catholic Primary School, met in assembly to discuss the issue of **bullying** and what it means to us. We have created this page to share our thoughts and feelings on **bullying**.

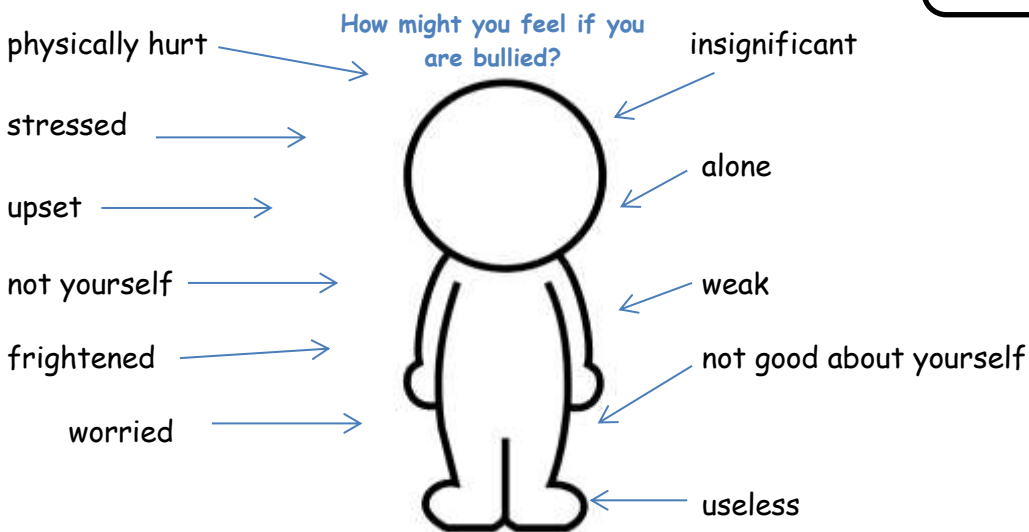

Types of bullying
physical, verbal, social, cyber

Why do people bully?

They may be: spoilt, angry, suffering from an illness or bereavement, afraid, copying others, popular, jealous, unhappy, part of a gang, a victim.

It may be because of: sport, popularity, silliness, being different, a disability, religion, personal values.

Why do people get bullied?

How should you feel?

Happy!
Safe!
Confident!
Able to achieve!
Proud to be unique!

Messages to bullies!

Stop it now! You will get into trouble! You may lose friends! We will not tolerate bullies in St. Luke's!

Messages to victims!

Be proud to be different! Walk away from the bully! Always feel safe in school! Be glad to be you!

Report **bullying** to a responsible adult as soon as you see, hear or notice something!

We need to work together as a team: *Governors, Teachers, Parents, Pupil - everybody.*

Governors - listen to parents and teachers. **Teachers** - listen to pupils and parents; keep us safe; take us seriously; talk to the bully. **Parents** - talk to the teachers; listen to us. **Pupils** - talk to an adult.
