

MONKEY IN THE MIDDLE

First answer each clue by completing the word in the spaces next to it. When you've answered all six clues, the letters in the three sets of blanks will spell three words that have something in common. You can cross off the letters you use, since each will be used only once.

What a barber cuts

H

T

Mars or Venus

More than you need

EX

SECT

Six-legged creature

Word that describes large shrimp

JUM

TACK
