## Learning Project WEEK 6 - Food

### Class 3

#### Maths Tasks

- Working on [Times Table Rockstars](#) - your child will have an individual login to access this **(20 mins on SOUND CHECK)**
- Play on [Hit the Button](#) - focus on number bonds, halves, doubles and times tables.
- Adding totals of the weekly shopping list or some work around money. This [game](#) could support work on adding money.
- Practise telling the time. This could be done through this [game](#) (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes.

BBC Bitesize Lesson Themes for the week ([Click Here](#))

*Good lessons to recap on written methods*

**Monday:** Converting pounds and pence

**Tuesday:** Adding money

**Wednesday:** Subtracting money

**Thursday:** Multiplying and dividing by 3

Oak National Academy ([Click Here](#))

This week's focus continues to be fractions. Remember to work through activities set on Active Learn and Mymaths to support this learning.

My Maths Activities ([Click Here](#))

This week's theme continues to focus on fractions, and also multiplication and division to link with the BBC bitesize session.

Active Learn ([Click Here](#))

Work through the fun and engaging activities to develop your Maths knowledge and recap on previous learning.

Times Tables Rock Stars Challenge ([Click Here](#))

Using the 'Studio' mode of the TTRS App. Can you improve your score throughout the week? Starting on Monday, complete a 'studio session' each day and make a note of your best score. By Friday, have you increased your score? Let me know how you get on through our class discussion online.

White Rose Maths ([Click Here](#))

Good resource to use with videos tutorials and activities to help. All of the topics now link and support the BBC Bitesize learning.

#### Reading Tasks

- You could share a story together. This could be a chapter book where you read and discuss a chapter a day.
- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Watch [Newsround](#) and discuss what is happening in the wider world.
- Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?
- With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.

Oak National Academy ([Click Here](#))

This week's theme on Oak Academy is setting description. There are three reading focused lessons throughout the week.

**Monday:** Reading comprehension focusing on fact retrieval

**Tuesday:** Reading to develop word meaning

**Wednesday:** Reading to identify key features of a setting description

BBC Bitesize ([Click Here](#))

**Friday:** Lesson focussing of developing reading skills using Dindy and the Elephant by Elizabeth Laird.

This is an author that the class know, as we read her story, "Song of The Dolphin Boy."

Active Learn/ Bug Club ([Click Here](#))

Work through the fun and engaging books that have been added to your account. Comprehension questions are linked in with the texts set/.

Reading for Pleasure

Reading for Pleasure is so important. I would love to hear what you are reading and any book recommendations you may have. Remember to tweet our class page or add to our class discussion with any recommendations that you have. So far, The Magic Faraway Tree seems very popular, along with lots of David Walliams books!

The project this week aims to provide opportunities for your child to learn more food. Learning may focus on where different foods originate from, what makes a healthy meal, opportunities to cook etc.

- **Let's Wonder:**

What is a balanced diet? Find out about the 5 food groups. Make slides or posters about what they find out about. [Carbohydrates](#) [Protein](#) [Dairy](#) [Fruits and Vegetables](#) [Fats](#). Where does their food come from? Which foods come from the UK? [What is fairtrade?](#)

**Writing Task:** Create an information leaflet/ poster/ information sheet about Healthy Eating and 'How to be Healthy' You may choose to present this in anyway you like. You could even incorporate the use of a computer to present your information.

BBC Bitesize has a good information page on their website and would be a good place to start. Click on the following link to find out more information <https://www.bbc.co.uk/bitesize/topics/zrffr82/articles/zppv4j>

- **Let's Create:**

Make repeated pattern prints for decorative purposes using various natural materials, e.g potato printing or create some still life observational sketches of fruit. Look at the artwork of [Giuseppe Arcimboldo](#) Maybe recreate some of his paintings with fruit.

- **Be Active:**

Food provides us with energy and we need energy to exercise and this keeps us fit. Why not choose a dance from [Supermoves?](#)

***Recommendation at least 2 hours of exercise a week.***

- **Time to Talk:**

As a family, design a healthy meal plan for the week. Discuss their favourite foods and why they enjoy them? Talk about healthy and unhealthy foods and explain the importance of eating a balanced diet.

- **Understanding Others and Appreciating Differences:**

[Lunch around the world.](#) Look at lunch around the world and investigate how differently people eat in other parts of the world. Where does the food we eat originate from? Perhaps you could use a map and label the origins.

- **Reflect:**

Make a meal by combining a variety of ingredients using a range of cooking techniques. Measure and weigh ingredients appropriately to prepare and cook a range of savoury dishes.
