Learning Project WEEK 7 - Celebrations

Class 4

Maths Tasks

- Working on [Times Table Rockstars](#) - your child will have an individual login to access this **(20 mins on SOUND CHECK)**
- Play on [Hit the Button](#) - focus on number bonds, halves, doubles and times tables.
- Adding totals of the weekly shopping list or some work around money. This [game](#) could support work on adding money.
- Practise telling the time. This could be done through this [game](#) (scroll down to access the game). Read to the quarter hour and the nearest 5 minutes.

BBC Bitesize Lesson Themes for the week ([Click Here](#))

Monday: Multiply and dividing problem solving

Tuesday: Perimeter of a rectangle

Wednesday: Perimeter of a rectilinear square

Thursday: Area - Counting Squares

Friday: Maths Challenge of the Week

Oak National Academy ([Click Here](#))

This week's focus is solving measures and money problems.
Each day there is a different lesson to explore.

My Maths Activities ([Click Here](#))

This week's theme is focussed on measures and money problems linking in with the Oak National Academy learning.

Active Learn ([Click Here](#))

Work through the fun and engaging activities to develop your Maths knowledge and recap on previous learning.

NEW BATTLE

Times Tables Rock Stars Challenge ([Click Here](#))

This week's TTRS challenge is a battle between the boys and girls within the class. The battle begins at 9:30am on Monday 11th May and ends on Friday 15th May at 3pm. Let's see who will be victorious in this week's battle! Good luck everyone!

White Rose Maths ([Click Here](#))

Good resource to use with videos tutorials and activities to help. All of the topic now link and support the BBC Bitesize learning.

Reading Tasks

- You could share a story together. This could be a chapter book where you read and discuss a chapter a day.
- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Watch [Newsround](#) and discuss what is happening in the wider world.
- Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?
- With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.

Oak National Academy ([Click Here](#))

This week's there are two lessons linked specifically to reading and developing reading skills.

Monday: Reading example text and answer the comprehension questions

Tuesday: Reading to develop language and inference skills.

BBC Bitesize ([Click Here](#))

Friday: Lesson focussing of developing reading skills using Charlie Changes into a Chicken by Sam Copeland.

Active Learn/ Bug Club ([Click Here](#))

Work through the fun and engaging books that have been added to your account. Comprehension questions are linked in with the texts set/.

Reading for Pleasure

Reading for Pleasure is so important and something we love doing in Class 4. I would love to hear what you are reading and any book recommendations you may have. Remember to tweet our class page @Y4Stlukesfrod with your suggestions.

Spelling, Punctuation and Grammar Tasks	Writing Tasks
<ul style="list-style-type: none"> • Practise the Year 3/4 for Common Exception words. • Practise your spelling on Spelling Frame • Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified? <p>Choose 5 Common Exception words and practise spelling them using words within words. Write the word and find smaller words within them, e.g. spelling = line, gel, in, etc....</p> <p>Spag.Com (Click Here)</p> <p>Spelling and grammar tasks are set on a Monday. This week's task is a grammar recap. Work through the questions that focus on different areas of grammar.</p> <p>BBC Bitesize Lesson Themes for the week (Click Here) <i>Good lessons to recap on grammar features explored in class.</i> Tuesday: Using Similes and Metaphors.</p> <p>Oak National Academy (Click Here) This week's grammar focus lesson is on Thursday. Thursday: SPAG Focus lesson</p> <p>Discovery Espresso (Click Here) Follow the link for further SPAG games and quizzes that are fun and free to access.</p>	<ul style="list-style-type: none"> • Write a postcard to a family member recounting a celebration that has just taken place. • Write a set of instructions for 'How to play the new game?' Remember to include a list of things they will need. Also not forgetting to include headings and subheadings. Then write their set of instructions, remembering to include imperative verbs. (Verbs that command you to do something). Think about the key rules! • Write a non-chronological report about a particular religious festival they have found out about. • Write a scary story that would be great to read aloud on Halloween. Use the images on Spooky to give them some inspiration. • Design a card celebrating a religious celebration, remember to include a poem/verse for inside. You could make either an Eid, Easter, Diwali card etc.... <p>BBC Bitesize Lesson Themes for the week (Click Here) <i>Good lessons to looking at a particular genre of writing</i> Monday: Exploring recounts Wednesday: Writing a diary entry Thursday: Writing a recount</p> <p>Oak National Academy (Click Here) This week's there are three lessons linked with developing writing skills. Wednesday: Read and identify key features from a text Friday: Use key features to write own composition focused on a news report</p> <p>More Inspiration and Writing Activities (Click Here) This link will take you to a website called 'Pobble 365'. The children should recognise some of the images as they are used regularly in class for Morning Activities or Guided Reading Challenges. The images are changed daily and have activities that are link with the image such as 'Story Starter...', 'Sentence Challenge' and the 'Question Time' section. It is great to check out as there are lots of interesting images on there to inspire writing.</p> <p>Further writing activities available under the English tab on the Home Learning page on the school website.</p>

This project this week aims to provide opportunities for your child to learn more about celebrations. Learning may focus on different types of celebrations that take place and who may celebrate them. It could look at how people celebrate different events differently in other parts of the world.

- **Let's Wonder:**

How are birthdays celebrated around the world? [India](#) [China](#) [America](#) [Africa](#) etc.. maybe there's a particular country they would like to find out about. Create fact files to show the similarities and differences between them.

- **Let's Create:**

Create a board game that focuses on celebrations. Think about what they can learn from it? Think about how to play the game. Is it going to be a game like Monopoly or Snakes and ladders? Are they going to need a dice? Cards? Characters? etc....

- **Be Active:**

Why not play a game of [hopscotch](#)? Can't find any chalk? Use a stone from the garden. Raining? Build an indoor den and have an imaginary celebration with their toys.

Recommendation at least 2 hours of exercise a week.

- **Time to Talk:**

Look through old photos of previous celebrations them and their family have taken part in. What can they remember happened? Why do they and their families celebrate the way they do?

- **Understanding Others and Appreciating differences:**

How many different types of celebrations are there? Who celebrates Christmas? St Patrick's? St George? St David? Easter? Eid? Diwali? Chinese new year? And how? Which celebrations have they taken part in? What usually happens?

Other activity ideas

- Create a birthday calendar that includes all the birthdays in your family. This could be presented in any way you like, using any format. It could be designed to be put up in your house somewhere and used as a helpful reminder throughout the year for all the family.
- Following on from last week's theme of food, design a menu for a special celebration meal. What would you have for Starter, Main Course and Dessert? Who would you invite? What would your celebration take place?
- Set a budget and plan a celebration around that budget. How would you save money? What would you buy?
- Write a diary entry of a time when you have been part of a celebration. What were you celebrating? What did you do to celebrate? How did you feel?

Additional learning resources parents may wish to engage with

Please see below the timetable for the BBC Bitesize Online Lessons including the foundation subjects for each day.

Year 4/ P5 online lessons Monday 11 May - Friday 15 May				
Monday	Tuesday	Wednesday	Thursday	Friday
English Exploring recounts	English Using similes and metaphors	English Writing a diary entry	English Improving your writing with proof reading	English Reading lesson: Charlie Changes into a Chicken by Sam Copeland
Maths Multiplying and dividing problem solving	Maths Perimeter of a rectangle	Maths Perimeter of a rectilinear shape	Maths Area - counting squares	Maths Challenge of the week
History How did Stone Age hunter-gatherers live?	Geography Latitude and longitude	Science Vertebrates and invertebrates	Design and Technology How we build	Art and Design Media and Materials
Find all this content and more at: bbc.co.uk/bitesize/dailylessons				

<https://www.thenational.academy/online-classroom> - Oak Academy resources provide video lessons for three hours of learning each day across various curriculum subjects. A great resource that should definitely be benefitted from.

<https://www.bbc.co.uk/bitesize/levels/zbr9wmn> - Daily lessons and video clips for every day of the week.

Twinkl – to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

<https://www.elsa-support.co.uk/> - Support for children's wellbeing and to understand why school has closed.

<https://studio.code.org/courses> - Children can continue to work through their code studio programme using their login details provided.

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> - Joe Wicks, the Body Coach, will be delivering a daily physical workout for all ages.

My Happy Mind – Please remember you have access to our mindfulness and wellbeing programme via the parent app.

Access the home learning tab on the school website for lots more ideas. 😊
