Learning Project Week Commencing 15/6/20 - Famous & Significant People

Year 2

Weekly Reading Tasks	Weekly Phonics Tasks
<p>Monday- Your child can listen to 'The Queen's Knickers' here. What did your child like about the story? What did they dislike about the story?</p> <p>Oak Academy Lesson – Reading focus on retrieval. Click Here</p>	<p>Monday- Choose letters that make words that can be read phonetically. Write the letters in chalk on the ground outside. Give your child a word and they must spell it by jumping from letter to letter. This could also be done on paper inside the house.</p> <p>BBC Bitesize Lesson – Identifying errors in writing. Click Here</p>
<p>Tuesday- Ask your child to find out about one significant person here. Can they read any tricky words? Why is this person important?</p> <p>Oak Academy Lesson – Reading focus on word meaning. Click Here</p>	<p>Tuesday- Your child could visit this interactive game and play Sentence Substitution.</p>
<p>Wednesday- Ask your child to re-read their favourite story out loud. Remind them to use expression. Task your child with creating a new book cover for their favourite story or writing an alternative ending!</p>	<p>Wednesday- Mary Seacole and Florence Nightingale are remembered for helping the sick during the Crimean War. How many adjectives can your child list to describe medical professionals? Can they apply these into sentences?</p>
<p>Thursday- Who was Queen Elizabeth I? Watch this short video and then your child can record what they've learned about this royal. They may also wish to use books or websites to help.</p>	<p>Thursday- 'Kind', 'past', 'improve', 'many' and 'people' are some of the words that children in KS1 need to be able to spell. Can your child use these to write sentences about Mary Seacole or Florence Nightingale?</p>
<p>Friday- Set up an interview where your child can be the interviewer and you can be the famous person (choose from here). Ask them to write down and read back to you some of the things you have said.</p> <p>BBC Bitesize Reading Lesson – 'Spike the Hedgehog Who Lost His Prickles', by Jeanne Willis. Click Here</p>	<p>Friday- There are live phonics lessons on Youtube daily. Click here to watch and join in.</p>
<p>Extras</p> <ul style="list-style-type: none"> - Check for new activities on Active Learn - Visit Storylineonline.net to listen to books read by famous people. - Use Oxford Owl for access to eBooks. 	<p>Extras</p> <ul style="list-style-type: none"> - Access Daily Phonics on Youtube - Choose a spelling activity to do from the School Website - Access Phonics activities on Phonics Play

Weekly Writing Tasks Oak Academy Focus – Action scenes	Weekly Maths Tasks- Adding Oak Academy Focus – Addition and subtraction. BBC Bitesize Focus and White Rose Focus – Shapes.
<p>Monday- Once your child has listened to 'The Queen's Knickers' ask them to create a list of questions that they'd like to ask Queen Elizabeth 2nd or Queen Victoria.</p>	<p>Monday- Encourage your child to write all of the number facts up to 20 e.g. $3 + 17 = 20$, $17 + 3 = 20$. Can they use these to write the inverse e.g. $20 - 3 = 17$.</p> <p>BBC Bitesize Maths Lesson – Properties of 2d shapes. Click Here</p> <p>Watch the White Rose Video on counting sides and vertices on 2d shapes, then complete Day 1 worksheet</p> <p>Oak Academy Lesson – Applying addition strategies to solve problems. Click Here</p>
<p>Tuesday- Ask your child to write their very own royal adventure story. They can write in role as a king, queen, prince, princess, knight or servant.</p> <p>BBC Bitesize Lesson – Using the days of the week in sentences. Click Here</p>	<p>Tuesday- Give your child a number between 1 and 20 and ask them to think about how many ways they could make the number using addition.</p> <p>BBC Bitesize Maths Lesson – Properties of 3d shapes. Click Here</p> <p>Watch the White Rose Video on counting faces, edges and vertices on 3d shapes, then complete Day 2 worksheet</p> <p>Oak Academy Lesson – Applying subtraction strategies to solve problems. Click Here</p>
<p>Wednesday- When your child has completed their royal adventure story, they can design a cartoon strip to accompany their writing or a front cover for their story.</p> <p>BBC Bitesize Lesson – Using long ladder letters when writing. Click Here</p> <p>Oak Academy Lesson – Key feature focus using powerful verbs and adverbs. Click Here</p>	<p>Wednesday- Practise totalling amounts on this game then post the letter in the correct post box to show your answer.</p> <p>BBC Bitesize Maths Lesson – Sorting shapes. Click Here</p> <p>Watch the White Rose Video on sorting 2d and 3d shapes, then complete Day 3 worksheet</p> <p>Oak Academy Lesson – Solving word problems. Click Here</p>
<p>Thursday- Can your child write a letter, postcard or email to their teacher? They may want to describe what they have been doing at home. They might want to tell their teacher about the things that they are missing about school.</p> <p>BBC Bitesize Lesson – Creating adverts using describing words. Click Here</p> <p>Oak Academy Lesson – To identify the key features of an action scene. Click Here</p>	<p>Thursday- Get your child to write one of the number bonds to or within 10 - e.g. $2 + 8 = 10$ or $3 + 4 = 7$. Can they use these facts to find out the addition facts up to 100? E.g. $20 + 80 = 100$ and $30 + 40 = 70$.</p> <p>BBC Bitesize Maths Lesson – Shape patterns. Click Here</p> <p>Watch the White Rose Video on patterns with 2d and 3d shapes, then complete Day 4 worksheet</p> <p>Oak Academy Lesson – Solving comparison word problems. Click Here</p>
<p>Friday- Visit the Literacy Shed for this wonderful resource on The Clocktower. Or they could write a description of Buckingham Palace using this image.</p> <p>Oak Academy Lesson – Writing an action scene. Click Here</p>	<p>Friday- A visit to Buckingham Palace costs £8.50 What coins could you use to pay for his ticket? How many different ways can your child represent this amount?</p> <p>BBC Bitesize Maths Lesson – Challenge of the week. Click Here</p> <p>Oak Academy Lesson – Adding 2 digit numbers. Click Here</p>

Extras

- Access writing activities on the [School Website](#)

Extras

- Access the activities set on [MyMaths](#)
- Try out some [Creative Maths](#)

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **How Important is Mary Seacole?**- Mary Seacole was a Jamaican-born nurse who is remembered for helping soldiers during the Crimean War. Using [this video](#) your child can create a simple timeline of Mary Seacole's life. If this is too challenging, why not ask your child to design an award for Mary Seacole. Your child could also locate Jamaica and Scotland on a world map.
- **Keep them Clean!**- Mary Seacole visited Florence Nightingale, another important nurse, during the Crimean War. Florence Nightingale was known for highlighting the importance of hygiene when caring for the sick, particularly handwashing. Ask your child to create handwashing posters for the home. They might want to make up a jingle too!
- **Intriguing Inventions**- Challenge your child to invent something new. Perhaps a new gadget for the home to keep the family entertained, or something that would help a doctor or a nurse. They can draw and label their design, and could have a go at making it using things from the recycling box.
- **The Queen: Then and Now**- What was life like for Queen Elizabeth I? [This video](#) may help your child to understand. How is life different for the current queen, Queen Elizabeth II? Ask your child to create a list of the similarities and differences. They might focus on appearance, family and interests. They could show this using illustrations too.
- **A Seriously Significant Somebody**- Who is important to your child? What makes them so important? Your child could draw or paint a portrait of their significant somebody using a photograph or digital image to support them. They may wish to write an information report about this person too!

Please tweet any pictures or activities for Mrs Williams to see on Twitter! @Y2stlukesfrod

It has also been great to see the work and photographs that have been uploaded onto the scrapbook area of the website. Please continue to upload them whenever you can!

Remember to check in on the class discussion page at least once every week!

STEM Learning Opportunities #sciencefromhome

Beulah Henry 1912 – 1970

- Beulah was a famous American inventor who invented over 100 new products. She made several umbrella inventions from clip on covers to special umbrella bags.
- If you were going to design an umbrella what would it look like and what materials would you use?
- Try making a model umbrella using junk box materials you might find at home.

Additional learning resources parents may wish to engage with

This week's [BBC Bitesize Foundation Subject](#) timetable:

Monday	Tuesday	Wednesday	Thursday	Friday
History William Shakespeare	Geography Introduction to Antarctica	Science Parts of the body and senses	Design and Technology Repeat pattern making	Computing Using the web safely

This week's Oak Academy Foundation subjects:

Monday – An RE Lesson – Writing about Judaism. [Click Here](#)

Tuesday – A Spanish Lesson – Learning to name family members. [Click Here](#)

Wednesday – A Science Lesson – Learning about Planets in our Solar System. [Click Here](#)

Thursday – An RE Lesson – Continuing to write about Judaism. [Click Here](#)

Friday – An Art Lesson – Investigating warm and cool colours. [Click Here](#)

Other resources to access:

- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [Numbots](#). Your child can access this programme with their school login.
- IXL- Click here for [Year 2](#) . There are interactive games to play and guides for parents.
- [Mastery Mathematics Learning Packs](#) Learning packs with different activities and lessons. Includes notes on how to do these activities with your children.
- [Talk for Writing Home-school Booklets](#) for [Y2](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
- [Elsa Support](#) - Support for children's wellbeing.
- [Code Studio](#) - Children can continue to work through their code studio programme using their login details provided.
- [Joe Wicks](#) - Joe Wicks, the Body Coach, will be delivering a daily physical workout for all ages.
- [MyHappyMind](#) - Please remember you have access to our mindfulness and wellbeing programme via the parent app.
- [BBC Supermovers](#)

Saturday is the beginning of National School Sport Week at Home.

The purpose of this week is to celebrate the important role of Physical Education and sport in improving children's health and wellbeing.

To take part and to receive free videos and activity cards, see the link below for more details.

- <https://www.youthsporttrust.org/national-school-sport-week-home>

If your child requires more of a challenge, or you believe that there are some gaps in their learning then [Century Tech](#) is a fantastic resource that is currently free for home learning. The app is designed to address gaps and misconceptions, provide challenge and enables children to retain new knowledge. It uses artificial intelligence to tailor the learning to your child's needs. Sign up [here](#).
