## Learning Project Week Commencing 15/6/20 - Famous & Significant People

### Year 3

Weekly Reading Tasks	Weekly Spelling and Grammar Tasks
<p><b>Monday-</b> Task your child with reading something unusual in an unusual place e.g. a cookbook in the bath. How many unusual places can your child read in this week?</p> <p>Oak Academy Reading Lesson – Reading comprehension. <a href="#">Click Here</a></p>	<p><b>Monday-</b> Your child can choose a person that is significant to them and mindmap all of the words that they associate with this individual e.g. inspirational, heroic, intelligent, courageous.</p> <p>BBC Bitesize SPAG Lesson – Exploring Poetry <a href="#">Click Here</a></p>
<p><b>Tuesday-</b> Visit <a href="#">Ducksters</a> and encourage your child to choose a person to read about. Ask them to create a fact file on their chosen person using facts learnt.</p> <p>Oak Academy Reading Lesson – Reading comprehension. <a href="#">Click Here</a></p>	<p><b>Tuesday-</b> Practise spelling these words: <b>information, adoration, sensation, preparation, admiration.</b> Your child can list other words ending in 'tion'.</p> <p>BBC Bitesize SPAG Lesson – Exploring sound words. <a href="#">Click Here</a></p>
<p><b>Wednesday-</b> Ask your child to read a magazine or newspaper article about a famous person. Ask them to write a diary entry from the viewpoint of that person.</p> <p>Oak Academy Reading Lesson – Reading examples of non-chronological reports and identifying the key features. <a href="#">Click Here</a></p>	<p><b>Wednesday-</b> Your child can practise their year group spelling on <a href="#">Spelling Frame</a>. Can they write mnemonics for 5 words e.g <b>Rhythm Helps Your Two Hips Move.</b></p> <p>BBC Bitesize SPAG Lesson – Nonsense Poetry. <a href="#">Click Here</a></p>
<p><b>Thursday-</b> Read through this <a href="#">book</a> about famous artists together. Encourage your child to choose one of the artists and create their own inspired painting.</p>	<p><b>Thursday- Puzzle fun.</b> Choose 5 <a href="#">Common Exception</a> words and create a word search containing these spelling words. Who can find the words?</p> <p>Oak Academy SPAG Lesson – Adverbials. <a href="#">Click Here</a></p>
<p><b>Friday-</b> With your child, take a look at this <a href="#">information</a> all about Neil Armstrong, the first man to walk on the moon. Complete the quiz and test your knowledge!</p> <p>BBC Bitesize Reading Lesson – 'Slime', by David Walliams. <a href="#">Click Here</a></p>	<p><b>Friday-</b> A-Z fun. Ask your child to list a famous or significant person that begins with each letter of the alphabet.</p>
<p><b>Extras</b></p> <ul style="list-style-type: none"> <li>- Check for new activities on <a href="#">Active Learn</a></li> <li>- Visit <a href="#">Storylineonline.net</a> to listen to books read by famous people.</li> <li>- Take a look at this week's <a href="#">Picture News</a>.</li> </ul> 	<p><b>Extras</b></p> <ul style="list-style-type: none"> <li>- Check for new tasks on <a href="#">Spag.com</a></li> <li>- Choose a spelling activity to do from the <a href="#">School Website</a></li> <li>- Practise previous spellings on <a href="#">Spelling Frame</a></li> <li>- Use <a href="#">Vocab Ninja</a> to explore new vocabulary every day!</li> </ul> 

<p><b>Weekly Writing Tasks</b></p> <p>Oak Academy Focus – Non-Chronological Reports</p>	<p><b>Weekly Maths Tasks- Addition and Subtraction</b></p> <p>Oak Academy Focus – Measures BBC Bitesize and White Rose Focus – Fractions</p>
<p><b>Monday-</b> Visit the Literacy Shed for this wonderful resource on <a href="#">The Clocktower</a> or take part in a writing <a href="#">masterclass</a> using your authorfy login from last week.</p>	<p><b>Monday-</b> Watch <a href="#">this addition video</a> and <a href="#">this subtraction video</a>, which revise the column method. Generate calculations to practise at home.</p> <p>BBC Bitesize Lesson – Ordering fractions. <a href="#">Click Here</a></p> <p>Watch the <a href="#">White Rose Video</a> on ordering fractions, then complete <a href="#">Day 1 worksheet</a></p> <p>Oak Academy Lesson – Ordering mass. <a href="#">Click Here</a></p>
<p><b>Tuesday-</b> Tell your child to imagine that they are famous. What would they be famous for? Can they write a diary entry recounting the day's events in role?</p>	<p><b>Tuesday-</b> Challenge your child to use the <a href="#">Subtraction Grids</a> to see how many calculations they can solve correctly in 2 minutes. Or try this calculation <a href="#">game</a>.</p> <p>BBC Bitesize Lesson – Adding fractions with the same denominator. <a href="#">Click Here</a></p> <p>Watch the <a href="#">White Rose Video</a> on adding fractions, then complete <a href="#">Day 2 worksheet</a></p> <p>Oak Academy Lesson – Adding and subtracting mass. <a href="#">Click Here</a></p>
<p><b>Wednesday-</b> Ask your child to find out when the NHS began. <a href="#">Who was the founder?</a> Encourage them to compare the NHS then and now. Can they represent information on a timeline or in an information booklet?</p>	<p><b>Wednesday-</b> Ask your child to think about these questions: What calculations can you create using the numbers <b>127, 111, 200, 28</b> and <b>65</b>? Will you use subtraction, addition or both? Can you find the inverse to the calculations you write?</p> <p>BBC Bitesize Lesson – Subtracting fractions with the same denominator. <a href="#">Click Here</a></p> <p>Watch the <a href="#">White Rose Video</a> on subtracting fractions, then complete <a href="#">Day 3 worksheet</a></p> <p>Oak Academy Lesson – Solving problems involving mass. <a href="#">Click Here</a></p>
<p><b>Thursday-</b> All famous people should earn <b>£1,000,000 per year</b>. Does your child agree/disagree? Ask them to have and write a discussion on this statement.</p> <p>BBC Bitesize Lesson – Using alliteration. <a href="#">Click Here</a></p>	<p><b>Thursday-</b> Are these number sentences true or false? <b>597 + 7 = 614, 804 – 70 = 744, 768 + 140 = 908, 907- 669= 238, 872- 109= 108=</b>. Give reasons.</p> <p>BBC Bitesize Lesson – Problem solving with addition and subtraction of fractions. <a href="#">Click Here</a></p> <p>Watch the <a href="#">White Rose Video</a> on problem solving with fractions, then complete <a href="#">Day 4 worksheet</a></p> <p>Oak Academy Lesson – Reading a scale. <a href="#">Click Here</a></p>
<p><b>Friday-</b> Ask your child to use the words <b>FAMOUS PEOPLE</b> to write an acrostic poem about significant people in history.</p> <p>Oak Academy Writing Lesson – Using key features of non-chronological reports to create own version. <a href="#">Click Here</a></p>	<p><b>Friday (other)-</b> Get your child to revise using all four operations by playing this <a href="#">game</a>. They make a target number using the different operations.</p> <p>BBC Bitesize Lesson – Challenge of the week. <a href="#">Click Here</a></p> <p>Oak Academy Lesson – Reading capacity on a scale. <a href="#">Click Here</a></p>

### Extras

- Choose a daily [Pobble](#) activity.
- Access writing activities on the [School Website](#)

### Extras

- Your child should continue to practise their times tables for at least 20 minutes every day! Access [TTRS](#) or [Hit the Button](#).
- Complete the daily [Daily Arithmetic](#) questions.
- Access the activities set on [MyMaths](#)

## Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **Famous Fact Find** - Find out about one or more [Famous British People here](#). Ask your child to decide how they would like to present the information they have discovered. This could be a slide show, a poster or an information report about them. Can your child create a true or false quiz about their chosen person and test it out on the family during a games night?
- **Healthcare Heroes** - As the NHS plays such a significant role in our lives, ask your child to represent our amazing NHS staff with their own piece of artwork. This could be a painting, collage or even a collectable stamp of a famous medic e.g [Florence Nightingale](#), [Mary Seacole](#) or [Aneurin Bevan](#).
- **Sport Superstar** - [Watch](#) an interview with Rod Ellingworth, a famous, British cyclist. Then go for your own bike ride as part of your daily exercise. Don't forget to wear your helmet. No bike? Then take a walk and look out for any cyclists you see. **Recommendation at least 2 hours of exercise a week.**
- **Family Matters** - As a family, discuss the famous people that may have had an impact on their lives and the choices they have made about the jobs they have chosen. Talk about who has inspired them and why. Your child can create a family tree that illustrates inspirations and choices.
- **Religious Role Models** - Ask your child to find out about significant religious people, like Jesus, Moses, Muhammed (pbuh), Guru Nanak or someone else who is important to your family. What do they notice about these people? What is similar about them? What is different? [Help](#)! Record the similarities and differences in a table format or make a Religious Role Model mini-book.

Please tweet any pictures or activities for Miss Mcveigh to see on Twitter! @Y3stlukesfrod

It has also been great to see the work and photographs that have been uploaded onto the scrapbook area of the website. Please continue to upload them whenever you can!

**Remember to check in on the class discussion page at least once every week!**

## STEM Learning Opportunities #sciencefromhome

### Sophia Barnacle

- Sophia was a British inventor who, in 1907, invented the Helter-skelter. Try using junk box material to make your own helter-skelter or marble run.
- To find out more about building your own marble run click [here](#).

## Additional learning resources parents may wish to engage with

This week's [BBC Bitesize Foundation Subjects](#) timetable:

Monday	Tuesday	Wednesday	Thursday	Friday
<b>History</b> Did the Romans conquer Scotland?	<b>Geography</b> Volcanoes	<b>Science</b> Teeth and the digestive system	<b>Design and Technology</b> Design skills	<b>Computing</b> What are viruses?

**This week's Oak Academy Foundation subjects:**

**Monday** – An RE Lesson – Writing about what makes Christianity unique. [Click Here](#)

**Tuesday** – A Spanish Lesson – Learning to describe what there is in your town or city. [Click Here](#)

**Wednesday** – A Science Lesson – Learning about making different sounds. [Click Here](#)

**Thursday** – An RE Lesson – Continuing to write about what makes Christianity unique. [Click Here](#)

**Friday** – A Music Lesson – Learning to sing with an awareness of dynamics, styles and emotions. [Click Here](#)

Other resources to access:

- [Classroom Secrets Learning Packs](#) - Reading, writing and maths activities for different ages.
- [Twinkl](#) - Click on the link and sign up using your email address and creating a password. Use the offer code UKTWINKLHELPS.
- [White Rose Maths](#) online maths lessons. Watch a lesson video and complete the worksheet (can be downloaded and completed digitally).
- [Times Table Rockstars](#) and [Numbots](#). Your child can access both of these programmes with their school logins. On Times Table Rockstars, children should aim to play Soundcheck for 20 minutes daily.
- IXL online. Click here for [Year 3](#). There are interactive games to play and guides for parents.
- [Mastery Mathematics Learning Packs](#). Take a look at the mastery mathematics home learning packs with a range of different activities and lessons.
- [Y3 Talk for Writing Home-school Booklets](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
- [Duolingo](#) – Use your log in details to access your account and practice your French skills! You can also access French activities under the Home Learning Tab.
- [Elsa Support](#) - Support for children's wellbeing.
- [Code Studio](#) - Children can continue to work through their code studio programme using their login details provided.
- [Joe Wicks](#) - Joe Wicks, the Body Coach, will be delivering a daily physical workout for all ages.
- [MyHappyMind](#) - Please remember you have access to our mindfulness and wellbeing programme via the parent app.

**Saturday is the beginning of National School Sport Week at Home.**

**The purpose of this week is to celebrate the important role of Physical Education and sport in improving children's health and wellbeing.**

**To take part and to receive free videos and activity cards, see the link below for more details.**

<https://www.youthsporttrust.org/national-school-sport-week-home>

If your child requires more of a challenge, or you believe that there are some gaps in their learning then [Century Tech](#) is a fantastic resource that is currently free for home learning. The app is designed to address gaps and misconceptions, provide challenge and enables children to retain new knowledge. It uses artificial intelligence to tailor the learning to your child's needs. Sign up [here](#).
