(BBC Bitesize also have some activities linked to this). Now continue with the <i>Measures</i> activities on My Maths – have more than one attempt to improve your score!</p> <p style="text-align: center;">OR</p> <p>Take part in today's Oak Academy lesson on <i>Solving problems involving calculations of measure</i>.</p>
<p>Friday- Take part in today's Oak Academy lesson where you will be <i>writing a story</i>.</p>	<p>Friday- Take part in today's BBC Bitesize Challenge!</p> <p style="text-align: center;">OR</p> <p>Take part in today's Oak Academy lesson on <i>Convert between units of time</i>.</p>
<p style="text-align: center;">Extras</p> <p>Choose a daily Pobble activity</p> <p>*Continue working through your Maths SATs revision books ready for high school ☺*</p>	<p style="text-align: center;">Extras</p> <p>Consolidate your arithmetic practise on Maths Frame , My Mini Maths or our website and try some reasoning questions</p> <p>Access TTRS- aim to play Soundcheck for 20 mins daily.</p>

Learning Project Activities

The project this week aims to provide opportunities for you to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **Famous Brits-** Lots of significant people in history have been British. [Emmeline Pankhurst](#), [Guy Fawkes](#) and [Mary Anning](#) are just a few. Research one of these or another famous Brit of your choice. Create a fact file, a PowerPoint, a chronological report of their life or present your research in any way you like! Upload it to your scrapbook or to the homework area of the website!
- **The Queen's Speech-** The Queen [spoke to the nation](#) on Sunday 5th April from Windsor Castle. She had an important speech to deliver where she wanted to thank people for what they were doing and to give hope that things would eventually return to normal. Think about what you would say if you had to speak to the nation? What messages of hope would you want to give to your friends and family? Write your speech or record yourself delivering your speech. Maybe tweet a video of your speech to [@Y6StLukesFrod](#) and it can be shared with our whole school community!
- **Inspiration for Inventors-** [These inventors](#) talk about where they found the inspiration for their inventions. What problems do you incur in your daily life? What inventions would make your life easier? How could you [turn your idea into a product?](#) Mind map ideas of how you could solve your problem before designing and annotating a product. You may even want to make a prototype or test parts of your design to see if it would work.
- **Significant to Me-** Discuss with your family a person who is significant to you. This could be a famous person who has inspired you or someone who has made a positive impact on you from your everyday life. Discuss the attributes that this person has - why are they inspiring? Your family could share someone who is significant to them as well and talk about how they have influenced them. You may wish to draw a portrait of this person.
- **What it Takes-** Watch [this interview](#) with Paralympic gold medallist Helena Lucas. In this interview, it talks about the dedication needed to be a successful sports person. Set yourself a goal to work on every day. Create a poster outlining your goal and the steps you will take each day to work towards it. You may want to include steps you will take when you return to school.

STEM Learning Opportunities #sciencefromhome

Sophia Barnacle

- Sophia was a British inventor who invented the Helter-skelter in 1907. Try using junk box material to make your own helter-skelter or marble run.
- Try and make a run that takes exactly 60 seconds for the marble to complete the run.
- To find out more about building your own marble run click [here](#).

*****Please remember to share any activities that your child completes with [@stlukesfrodsham](#) and [@Y6StLukesFrod](#) or log onto the Pupil Area of the website and create a Scrapbook and contribute to the class discussion!*****

Thank you to those who have already shared what they have been up to!
Mrs Grealis is looking forward to seeing lots more over the coming weeks ☺ #staysafe #bekind

Additional learning resources parents may wish to engage with

This week's [Y6 BBC Bitesize Daily Lessons](#) Foundation Subjects timetable:

History The Vikings	Geography The Lake District	Science The circulatory system	Design and Technology Anthropometrics and ergonomics	Computing Should I trust everything I read online?
-------------------------------	---------------------------------------	--	--	--

This week, as well as the English and Maths lessons previously mentioned, [Oak National Academy](#) are also offering lessons in other Foundation Subjects:

Monday: [A History Lesson](#) where you will write an essay about the Cold War

[A PSHE lesson](#) where you become the Deputy Prime Minister and convince children to be a hero and work for the NHS in the future!

Tuesday: [A Spanish Lesson](#) where you will learn to say what there is in your town

Wednesday: [A Science lesson](#) about the particles in pure substances and mixes

Thursday: [Another History lesson](#) (following on from Monday's) where you will complete your essay on the Cold War

Friday: [An Art lesson](#) about Juan Miro and automatic drawing!

[IXL Online](#) have interactive maths games to play and guides for parents.

[Mastery Mathematics Learning Packs.](#) Take a look at the mastery mathematics home learning packs with a range of different activities and lessons.

[Y6 Talk4Writing Activities](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.

[Code Studio](#) - Continue to work through your Code Studio programme

[ELSA](#) and [myHappyMind](#)- Support for children's wellbeing and to understand why school is closed.

[The Body Coach](#) - Joe Wicks, the Body Coach, will be delivering a daily physical workout

[French](#) activities can also be found under the Home Learning Tab or use [Duolingo](#) to learn a new language!

[National Online Safety](#) have provided some excellent guides for parents and children regarding online safety

[Espresso](#) have a wide range of resources for children to access (use login details)
